Embroidery backing

The Cloud Cover Stitch offered by Cotswold Industries is designed to be used as backing for embroidery designs. This fusible material can be used in conjunction with a stabilizer when embroidering on a variety of fabrics including silk, satin, lame and chamois. The company reports it helps prevent unraveling and shredding without altering a product's appearance or drape. Rolls are available in colors white, black and beige in 30" X 25-yard and 60" X 100-yard rolls.
